

Think F.A.S.T.

Learn the signs of a stroke.

Be a hero. Save a life.

Face

Does the face look uneven?

Ask the person to smile.

Arms

Does one arm drift down?

Ask the person to raise one arm.

Speech

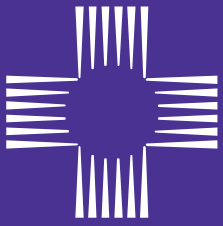

Does their speech sound strange?

Ask the person to repeat a simple phrase.

Time

If you observe any of these signs, it's time to call 911 and ask to be taken directly to St. Luke's Episcopal Hospital Emergency Room.

Brain Attack: Think fast, Act fast!

**Learn to recognize a stroke!
Time lost is brain lost.**

If you or someone you know is having stroke-like symptoms, dial **911** and ask to be taken directly to St. Luke's Episcopal Hospital Emergency Room.
